that the question of slavery out of the way and there is not the most distant probability that any organized opposition against the Democracy could be marshaled with a prospect of success. Take this element away, and in the Northwest Democracy is omnipotent. They would sweep the country like an avalanche.

We belive, then, we are fully warranted in saying that the Journal does not expect or desire the question of the habilition of slavery to be left out of the contest. He only desires Black Republicants to "pretentil any public out of the fronties and success of the contest. He only desires Black Republicants to "pretentil any public out of the fronties and underlying the probability of the contest. He only desires Black Republicants to "pretentil any public out of the fronties and underlying the probability of the South as it is repagnant to every principle of fair dealing and honesty.

To severy principle of fair dealing and honesty.

The rest them are the contest than a scheme to cheat the contest than a scheme t MARSHALC Agust 20, 1885 all, who improperly stand in its pathway. \$80,000 per annum to about \$10,000 at present. and its conductors among the Southern press that the opposition-fusion is to be based upon safional principles, is alike ableged and reflect upon for the forfeiting and considered by us; and in reply, we have to say, that we believe the grounds all leged and reflect upon for the forfeiting and considered by us; and in reply, we have to say, that we believe the grounds all leged and reflect upon for the forfeiting and constant of saccordance. This Company has now, at least the merit of press that the opposition-fusion is to we have to say, that we believe the grounds at be based upon saffosal principles, is alike ableged and relied upon for the forfeiture of surd and dishonest. Absurd because it is said charter are insufficient in law. Very iraly yours,

DUDLET S. JENNINGS,

C. M. ADAMS,

Discount by each shareholder upon each share of his stock to the Company. As interest and we

rise occasion anti-slavery sentiment of the North can the opposition appeal with any prospect of success.

We have on other occasions, heretotore, alieded to the course upon the subject of success.

We have on other occasions, heretotore, alieded to the course upon the subject of success.

The course of Know-Nothing leaders and presents in the subject of success.

The course of Know-Nothing leaders and presents in the subject of the course of Know-Nothing leaders and presents in the subject of the course of t

beart a friend to the institution of slavery would be willing to jeopard its interests by committing them to the hands of a party hrought into existence by hostility to slavery, and which has signalized its career by continued aggressions upon the South. Every often to coalesce with such a party is an offer to sell the South for the corrupt spoils of office, and these traitors underrate the intelligence of the people if they expect to bamboozle them into any other belief.

We tell the Appeal now, and once for

We tell the Arreat now, and once for all, that we would rather, much rather, units and co-operate with an open and avowed energible the Black Republicans, than with such sneaking underhanded, jamus faced, hypocritical, treacherous, friends as the wing of the Democratic party which is represented by Senator Douglas — Eagle and Eaguarer.

Ile mind of fraud against them; the invalidity of the invalidity of the trust sale under which it claims existence with this "pressure and abroad, regarded as wrong in principle and fraudulent in purpose. It has not been my habit to use harsh epithets, denunciatory of these parties or of their motives; but rather to assert in the remedy for the evils we entire the Democratic party which is represented by Senator Douglas — Eagle and Eaguarer.

The latest sale under which it claims existence with this "pressure and abroad, regarded as wrong in principle and fraudulent in purpose. It has not been my habit to use harsh epithets, denunciatory of these parties or of their motives; but rather to assert in the remedy for the evils we entire the Democratic party which is represented by the Pacific ocean. It is their interest permits of our Company were terminated.

WHERE he will be pleased to wait open any side potrons, friends, and the public omerally. He will
give particular attention to the Stering and Solling of
Cotton and Produce. All Cotton or Produce consigned to
him will be insured, nuless otherwise instructed.

Particular attention given to orders for Bagging and
Roos, and other supplies. Stares and sells Cotton for 75
man per hale.
